

Technical datasheet

OTW.OPEN SEA BEAM 3X25 METERS -TOTAL 75M

7000-138

Introduction

Pure fiber maximum absorption.

OTS item number.: 7000-138

Features

- Absorbs industrial hydrocarbons and derivation products (petrol, oil diesel oil, benzene, mineral oil etc...) but not water-based liquids.
- Do not use on soapy water, the absorbent would dive.

Safety features

- Superior absorption for pollutions treatment.

Capacity & performance

Oil absorption	25m = 726 l.
----------------	--------------

Weight & dimensions

Length	3 x 25m
Width	Ø200 mm
Height	
Weight	27 Kg
